

FOOD MANUFACTURING

BACTEX CF

Concentrated liquid cationic sanitiser designed for use in food manufacturing and food processing establishments. Effective against gram positive and gram negative bacteria.*

ELIMINATOR

Heavy duty chlorinated foaming cleaner. Designed for use as a multipurpose sanitiser for use on most types of materials and surfaces encountered in food processing establishments. Effective against gram positive and gram negative bacteria.*

* All products AQIS approved.

FOOD SERVICES

APPLEBRIGHT

A biodegradable manual dishwashing detergent with a neutral pH. Excellent for use in hard and soft water. It combines the rapid cleaning of all common food soils with stable suds and tremendous fat emulsification properties. Concentrated formula that leaves dishes ultra shiny.*

ACCELERATOR

Concentrated oven and grill cleaner designed to remove heavily carbonised food and oil residues.*

DISHRINSE

Liquid rinse additive for automatically dispensed dishwashing machines. Speeds drying time of dishes and utensils.*

DISHBRITE

Detergent for automatically dispensed dishwashing machines. In built scale inhibitor. Works in hard or soft water.*

MR STEEL

Stainless steel polish. Water-based lotion for the cleaning and protection of all stainless steel surfaces. Restores stainless steel to as-new lustre.

* All products AQIS approved.

SANITOL

Antibacterial Hand Sanitiser containing natural emollients to prevent the skin from drying out. Kills 99.9% of bacteria and germs.

DERMALUX HAND AND BODY WASH FOR EVERYDAY USE

Ultra-mild hand and body soap with peach perfume. Forms a rich lather and leaves hands soft and subtle even after repeated use.

BACTOL ALCOHOL GEL

Bactol Alcohol Gel contains macadamia oil to replace the skin's lipids which are removed by alcohol, leaving hands hygienic, soft and replenished and maintains skin integrity. Contains Ethanol 70% v/v. AUST R 155397.

PRIMROSE HANDSOAP

Pink hand soap with a pleasant floral perfume. Ideal for use in refillable cartridge dispensers.

ALCOHOL BASED

FLOROGEN

Alcohol based air freshener. Original fragrance offering long lasting deodorisation in difficult environments. The residual surface perfumes will effectively deodorise for 24 hours or longer in some areas.

WATER BASED

MAGNOLIA MIST

Water-based air freshener and general purpose cleaner designed for use in institutions, commercial buildings and many other areas. Pleasant magnolia perfume. Safe to use on all types of surfaces.

LAVENDER FLOROGEN

Alcohol based air freshener with lavender perfume. Kills 99.9% of bacteria. Offers long lasting deodorisation in difficult environments.

MR BEAN

Water-based air freshener and general purpose cleaner designed for use in institutions, commercial buildings and many other areas. Pleasant jelly bean perfume. Safe to use on all types of surfaces.

FRANGIPANI FLOROGEN

Alcohol based air freshener with frangipani perfume. Kills 99.9% of bacteria. Offers long lasting deodorisation in difficult environments.

VANILLA BREEZE

Water-based air freshener and general purpose cleaner designed for use in institutions, commercial buildings and many other areas. Pleasant vanilla perfume. Safe to use on all types of surfaces.

BOWLENE

Thickened formula for cleaning toilets. Removes hard water stains, rust stains and soap scum. Sanitises and deodorises. Pleasantly perfumed.

SANSOL

Total bathroom cleaner. Rapidly removes soap scum, body fats and oils. Leaves surfaces sparkling clean. Reduces labour costs. Hospital grade disinfectant. Proven to kill HIV, Hepatitis B and Noro Virus. AUSTR: 73602.

SUPERBOWL

Non hazardous toilet bowl cleaner (as classified by Worksafe Australia). Removes rust, scale, toilet stains and algae growth. Septic safe and safe to use on porcelain, stainless steel, tiles and most surfaces.

ENVIRONMENTAL STATEMENT

Whiteley Industrial manufactures products that comply with Australian and International environmental policy. Whiteley Industrial aims to ensure that every product is biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley Industrial products are supplied in 100% recyclable containers.

DISTRIBUTED BY:

WINDOW & GLASS CLEANER

A readily biodegradable, non-hazardous, streak-free cleaner that removes dirt and soils from windows, glass, computer monitors and whiteboards.

MULTI-PURPOSE DETERGENT

A readily biodegradable, non-hazardous dilutable detergent for use on floors, walls, bench tops, counter tops, sinks and other surfaces.

TOTAL BATHROOM CLEANER

A readily biodegradable, non-hazardous dilutable detergent for use in all areas of the bathroom.

Unlike many other 'Green Cleaning' products on the market, the EarthSmart environmental cleaning products have been independently tested as **whole products and are readily biodegradable according to Australian Standard AS4351**. *EarthSmart Environmental Cleaning Products are non-hazardous according to Safe Work Australia Criteria (Formally NOHSC)*

THE ENVIRONMENTAL CHECKLIST

- ✓ Readily Biodegradable according to AS4351
- ✓ Safe for use in the Environment
- ✓ Effective in application
- ✓ Non-Hazardous
- ✓ Non-Toxic
- ✓ Phosphate Free
- ✓ Chlorine Free
- ✓ Not Tested on Animals
- ✓ Made in Australia
- ✓ Product Lifecycle Responsible
- ✓ 100% Recyclable Packaging
- ✓ Utilises Refill-Reuse Bottles

All products in this range are Scientifically Proven EarthSmart in their applications. Careful consideration has been given to all aspects of the product lifecycle to ensure that this product is environmentally preferable. 100% recyclable containers, packaging and marketing materials have been used. To further minimise consumption and the ecological footprint, EarthSmart environmental cleaning products have been designed to utilise 500mL Refill-Reuse bottles.

BYE BYE FOAM

Silicon defoamer for use in the recovery tank of injection equipment. Compatible with all carpet detergent.

FABRIPOWR PLUS

High performance carpet detergent and prespray. Safe for use on all carpet fibres, stain resistant and normal. Utilises proprietary positive emulsion technology. Low foaming formula.

MR NOMARKS CARPET MASTER

Carpet spot cleaner which is ideal for cleaning spots, spills and ground-in dirt. Inhibits carpet re-soiling and is easy and safe to use. Carpet Master can replenish soil and stain resistant properties on a wide variety of common carpet, including stain resistant, synthetic and wool carpets.

MR NOMARKS FABRISAN

Carpet and upholstery deodorant. Contains natural tea tree oil. Will eliminate almost any odour. Compatible for use on most types of carpet and upholstery.

FABRIPOWR

High performance prespray. Low foaming formula. For use as a carpet prespray, carpet detergent, prespotter, odour suppressor and deodoriser.

FABRISOLV

Fast acting, rapid penetration, solvent based carpet spotter, designed for the removal of oil and solvent-based stains. Solvent blend of d-limonene and surfactants. Free rinsing.

MR NOMARKS FABRIC MASTER

A fabric spot cleaner which is suitable for use as a 'general purpose' fabric spotting detergent. It inhibits fabric re-soiling on your upholstery. Always adhere to the directions for use on the bottle before application.

FLOOR STRIPPERS

ZIP STRIP

Fast acting Butyl Stripper, low odour, caustic and residue free, liquefies old sealers on contact.

XPOLY8

A powerful dual action floor stripper designed to rapidly liquefy old sealers on contact. XPOLY8 is a low odour, fast acting, labour saving method for removing floor sealers and finishes with a minimum of scrubbing.

FLOOR SEALERS

BRILLIANCE

High gloss sealer/finish. Quick drying and extremely durable. One-step system for vinyl. Provides the perfect finish for Impact Base Sealer on vinyl, terrazzo, granite, tiles, slate and stone. Low and high speed burnishable from 250-2000 rpm.

EXEMPLIFY

Solvent based acrylic seal. Uses low toxicity orange solvents. Semi-permanent seal, extremely hard wearing and high gloss. For use on terrazzo, ceramic tiles, slate, granite and marble.

IMPACT

Low maintenance sealer with a high gloss finish. A clear non-yellowing, UV resistant semi-permanent sealer for use on hard floor surfaces including vinyl, stone, tiles, terrazzo and concrete. Has excellent levelling properties and is resistant to scratching and scuffing.

THERMAGLO PLUS

Vinyl, terrazzo and timber finish. Burnishable from 250-2000 rpm. May be used as a one-step sealer and finish. Easy to use and most reliable for any situation. Provides wet look gloss.

TUNG OIL SEAL

Penetrating sealer for timber, parquetry and cork floors. Penetrating solvent sealer. May be top coated with Thermaglo Plus for a superior glossy wet-look.

* Sealers are Slip Resistant under AS/NZS 4663:2002

FLOOR MAINTENANCE

TEMPO HD

Heavy duty neutral detergent. Suitable for cleaning all types of floors and surfaces. Low foaming, non-perfumed formula. Provides high performance cleaning to keep sealed floors like new.

REJUVEN8

A neutral multi-purpose cleaner & maintainer designed to enhance the appearance of worn floor finishes. Increases the durability of floor finishes and enhances gloss levels. Effectively repairs scratches and reduces the appearance of scuffing - black heels marks, grounded in dirt and surface scratches.

GLOKLEEN

Multipurpose neutral cleaner-maintainer for use on sealed and unsealed floors. Increases gloss and improves durability and wear.

TILE PLUS

Highly concentrated alkaline detergent designed for use as a heavy duty cleaner and degreaser for use on ceramic tiles, terracotta, concrete and pavements.

INSTRUMAX PINK

Instrument Grade Disinfectant – low level. Approved for use on Non Critical Medical Devices such as face masks, CPR masks, and under water breathing apparatus. Proven to kill: Staphylococcus Aureus (MRSA or Golden Staph), Salmonella Choleraesuis. Also proven effective against Hepatitis B Virus, Herpes Simplex Virus, and the Influenza Virus. ARTG No: 135544.

SPEEDY CLEAN WIPES

An excellent ready to use hospital grade anionic neutral detergent wipe which leaves a streak free finish. Ideal for cleaning most types of surfaces. Developed using novel polymer technology, Speedy Clean Wipes leaves surfaces resistant to resoiling after use. ARTG No: 125529.

V-WIPES

V-Wipes are hospital grade disinfectant wipes. The unique formula and high quality apertured fabric allows you to clean and disinfect. V-Wipes are highly absorbent, durable, streak-free and non-hazardous.

BACTEX CONCENTRATE

Concentrate hospital grade disinfectant, contains 20% quaternary ammonium compounds. Designed for use in health care, pharmaceutical manufacturing and other areas requiring disinfection.

SPEEDY CLEAN

A ready to use hospital grade anionic neutral detergent which leaves a streak free finish. Ideal for cleaning most types of surfaces, Speedy Clean's single use application improves infection control by avoiding cross contamination. ARTG No: 125529.

VIRACLEAN

Hospital grade disinfectant. Proven to kill MRSA, VRE, Influenza Virus and Hepatitis B Group Virus. For use in the cleaning of blood spills, telephones, desks, counter tops and for general surface disinfection. AUST R 69000.

CITRON

Neutral detergent. For cleaning sealed and unsealed floors, walls, benches and counters. Moderately foaming. Pleasant lemon-lime perfume.

FLORAL AIRFRESH

Concentrated water-based air-freshener designed for use in health care, commercial buildings, institutions and many other areas. Pleasant floral fragrance.

CLEAR REFLECTIONS

Streak free high performance window cleaner-spray and wipe. Use for cleaning windows, mirrors, computer screens, desks, laminated, greasy smudges and finger prints.

LEMON DISINFECTANT

Commercial grade lemon disinfectant, contains 2.5% quaternary ammonium compounds. Use for cleaning around toilets, showers, floors and walls.

RESOLVE

Multipurpose alkaline detergent/sanitiser for use as a total kitchen cleaner. Suitable for use on benches, stove and counter tops, floors and walls.

SURFACE CLEAN

High performance spray and wipe cleaner. Removes inks, textas and permanent markers from desks and other surfaces. Removes most oily and greasy marks. Also highly effective in cleaning concrete floors.

TREBLE

Heavy Duty 3-in-1 Multipurpose Cleaner. General purpose spray and wipe cleaner, degreaser and sanitiser in one. Cuts through grease and soil leaving surfaces, including glass, sanitised and sparkling clean. Lime scented for freshness. Safe to use on most surfaces.

ZEST

Total bathroom cleaner. Thickened formula. Rapidly removes soap scum, body fats and oils, calcium stains and mild rust stains. Kills odour causing bacteria. Leaves surfaces sparkling clean.

LEMEX

Neutral detergent, pH neutral, solvent free and safe to use on all surfaces. Pleasant lemon perfume.

QUICKGLEAM

Silicone based polish for use on rubber, vinyl and stainless steel. Prevents stains and finger printing. May be used on escalator rubber, stainless steel railings, vinyl counter tops and poker machines.

LIQUID LAUNDRY

Concentrated lemon perfumed liquid laundry detergent for use in industrial or commercial machines. Supplied ready to use.
